

## **Maverick Transportation 1 of only 5 Trucking Companies Recognized for Exemplary Dedication to Safety and Compliance**

Little Rock, Arkansas - Compliance Safety Systems recently announced the recipients of their inaugural annual awards to their customers whom exemplify dedication to safety and overall compliance to D.O.T. regulations. Compliance Safety Systems, ( CSS ), honored J.B. Hunt Transport, Maverick Transportation, Dart Transit, US Xpress, WSE Transportation and USA Truck.

"Maverick Transportation was honored with this award for their day in and day out dedication to going above and beyond the required regulations in keeping our highways safe," said David Saunders, President of Compliance Safety Systems.

Maverick accepted the award during an on-site presentation at their corporate headquarters. "We are honored to receive this recognition from Compliance Safety Systems," said Dean Newell, Vice President of Safety and Training at Maverick. "We emphasize safety in everything we do, starting from day one. Any time we are recognized for that, it is a testament to our culture."

Headquartered in Little Rock, AR and operating over 1,500 units, Maverick Transportation LLC, a division of Maverick USA, has over 25 years of experience providing flatbed and specialized services to the steel, glass, machinery and building material industries coast-to-coast, in Canada and Mexico.
